

Education Aligned Interim Assessments

Developed by Assessment Experts. Aligned to the Curriculum You Use.

CenterPoint's web-based, curriculum-aligned, K-8 interim assessments mirror the highly-rated, K-8 EL Education curriculum scope and sequence. These interim assessments complement the existing formative assessments in the EL Education curriculum.

The interim assessments from CenterPoint provide teachers and administrators with reliable data on student progress towards meeting end-of-the-year expectations.

Bring *meaning* back to
your assessments

Some exciting features of our EL Aligned Interim Assessments include:

- Alignment to the EL Education scope and sequence for grades K-8
- Four opportunities to assess throughout the year for grade K-2 tests
- Three opportunities to assess throughout the year for grade 3-8 tests
- Authentic passages
- Can be administered within a class period
- Technology enhanced items
- Optional constructed response items

Aligned Assessments are Meaningful.

Using assessments aligned to high-quality curriculum allows educators to:

Leverage real-time data in the classroom

Make informed instructional decisions

Reinforce curriculum concepts and skills

Increase student interest and engagement

Our EL Aligned Interim Assessments are available on the following platforms
